

PROGRAMME COMMITTEE

Chair V.N. Zakharov, Academician of the Russian Academy of Sciences, Doctor of Technical Sciences., Prof. (FRC CCC SB RAS, Kemerovo)

Deputy Chairman L.D. Pavlova, Doctor of Technical Sciences, Prof. (SibSIU, Novokuznetsk)

Members of program committee

S.K. Baimuhametov, Doctor of Technical Sciences, Prof. (Coal Division JSC "ArcelorMittal Temirtau", Kazakhstan)
I.V. Zenkov, Doctor of Technical Sciences (Special Designing and Technological Bureau "Nauka" KSC SB RAS, Krasnoyarsk)
A.A. Eremenko, Doctor of Technical Sciences, Prof. (IM SB RAS, Novosibirsk)
O.I. Kazanin, Doctor of Technical Sciences, Prof. (SPGU, St. Petersburg)
Yu.V. Malakhov, Candidate of Technical Sciences (IPKON RAS, Moscow)
V.V. Melnik, Doctor of Technical Sciences, Prof. (MISIS, Moscow)
M.G. Mustafin, Doctor of Technical Sciences, Prof. (SPMU, St. Petersburg)
S.M. Nikitenko, Doctor of Economic Sciences (Kuzbass Machine Builders Association, Kemerovo)
V.M. Seryakov, Doctor of Technical Sciences, Prof. (IM SB RAS, Novosibirsk)
O.V. Taylakov, Doctor of Technical Sciences, Prof. (VostNII SC, Kemerovo)
A.P. Khmelinin, Candidate of Technical Sciences (MI SB RAS, Novosibirsk)
V.N. Fryanov, Doctor of Technical Sciences, Prof. (SibSIU, Novokuznetsk)
A.V. Shadrin, Doctor of Technical Sciences, Chief Researcher (FRC CCC SB RAS, Kemerovo)
Jin Xin, PhD (Drilling Department, Xian Research Institute of Coal Technology and Engineering Group Co., Ltd, China)

ORGANIZING COMMITTEE

Chair A.B. Yuriev, Doctor of Technical Sciences, Assoc. Prof. (SibSIU, Novokuznetsk)

Co-Chair Lu Zeng Xiang, Doctor of Technical Science, Professor (USTL, Anshan (China))

Deputy Chairman V.N. Fryanov, Doctor of Technical Sciences, Prof. (SibSIU, Novokuznetsk)

Members of organizing committee

I.A. Ganieva, Doctor of Economic Sciences, (Research and Academic Centre «Kuzbass», Kemerovo)
A.N. Domrachev, Doctor of Technical Sciences, Prof. (SibSIU, Novokuznetsk)
V.A. Eremenko, Doctor of Technical Sciences (IPKON RAS, Moscow)
S.V. Konovalev, Doctor of Technical Sciences, Prof. (SibSIU, Novokuznetsk)
M.S. Nikitenko, Candidate of Technical Sciences (FRC CCC SB RAS, Kemerovo)
L.D. Pavlova, Doctor of Technical Sciences, (SibSIU, Novokuznetsk)
T.V. Petrova, Doctor of Economical Sciences, Prof. (SibSIU, Novokuznetsk)
Yu.E. Proshunin, Doctor of Technical Sciences, Prof. (SibSIU, Novokuznetsk)
S.V. Rib, Candidate of Technical Sciences, Associate Professor (SibGIU, Novokuznetsk)
V.V. Tabachnikov (Expo center "Kuzbass Fair", Novokuznetsk)
Zhuan Ye Nong («Interstandart» Russian-Chinese coal mining engineering enterprise, China)

PURPOSES OF THE CONFERENCE:

- development and implementation of science-based technologies for mining of mineral resources;
- development of innovative approaches to creation of high performance equipment for mining industry;
- development of automated control systems, improvement of electro-technical, energy-saving systems of mining industry;
- development of complex extraction technologies and deep processing of mineral resources;
- improvement of industrial and environmental safety at the mining and processing enterprises;
- exchange of domestic and foreign experience in the field of research and development of projects, technologies and equipment.

SECTIONS OF THE CONFERENCE

1. Geotechnologies of complex development of mineral resources
2. Mining machines and transportation systems for the coal industry
3. Robotization and automation of mining processes
4. Industrial safety and technological sovereignty of the mining industry

PUBLICATION OF PAPERS

Papers will be published on-line annual journal "Knowledge-based technologies in development and utilization of mineral resources". The journal has ISSN, UDC and is included in the database of the Russian Science Citation Index, Digital version of the journal will be presented at SibSIU Scientific Library website, and digital scientific library eLibrary.ru.

Article structure

The article must have the following structural elements: UDC; article title; scientific degree and full name of the authors; organization, city, country; abstract, keywords, text. Tables, illustrative material, and bibliography must be prepared in accordance with the requirements of state standards.

The originality of the text should be at least 70%, self-citation should not exceed 30%.

Publication material requirements

For publication in on-line annual journal "Knowledge-based technologies in development and utilization of mineral resources".

- 8 full page text (page format - A4);
- Text editor - Microsoft Word;
- Mirror margins: top, bottom, outside - 2 cm; inside - 2.5 cm;
- Font - Times New Roman, font size - 12;
