The International Scientific Conference "Natural-technogenic systems: CURRENT STATUS AND PROSPECTS FOR RECOVERY"

13 - 18 June, 2016

The 1st Information Letter

Novosibirsk-Novokuznetsk – 2016

Dear colleagues!

We invite you to take part in the International scientific conference “Natural-technogenic complexes: CURRENT STATUS AND PROSPECTS FOR RECOVERY”, which will be conducted 13-18 June 2016 in Novosibirsk with visiting and sightseeing in Novokuznetsk.

The formation of a common methodological platform for combining basic and applied scientific knowledge in the field of reclamation and environmental management is the aim of conference. The conference is an opportunity to discuss topical issues and current share objective information, methodological approaches and results of the study of natural and man-made systems.

Scientists, educators, professionals, graduate and post-graduate students, are invited for the participate in the conference.

FOCAL AREA OF THE CONFERENCE:

1. Methodological problems of scientific research at the territory of natural-technogenic systems.
2. Problems of regulatory supporting of environmental protection measures.
3. Monitoring of technogenic landscapes status and the transformation of natural ecosystems.
4. Modern technologies of reclamation of technogenic landscapes.

ADVISORY COMMITTEE

Chairman:

Shoba S. corresponding member of the Academy of Sciences, the President of Soil Science Society named after V.V. Dokuchaev

Co-chairmans:

Kalinin E. Chief of Federal Service for Supervision of Natural Resource Usage of Siberian Federal District, Novosibirsk.

Protopopov E. Doctor of Engin. Sc., president of SibSIU. Novokuznetsk

Androkhanov V. Doctor of Biol. Sc., program director ISSA SB RAS, Novosibirsk.

Members of advisory committee:

Lapa V. Academic of science, director of ISSA NAS of Belarus, Minsk.

Saparov A. Doctor of Agricult. Sc., prof., director of Research Institute of soil science and agrochemistry named by U. Uspanov, Almaty, Kazakhstan.

Guliev A. Doctor of Agricult. Sc., prof., director of ISSA NAS of Azerbaijan. Baku.

Kulizhsky S. Doctor of Biol. Sc., prof., pro-rector of TSU. Tomsk

Shein E. Doctor of Biol. Sc., prof., holder of chair of physics and soil melioration. MSU. Moscow

Yakovlev A. Doctor of Biol. Sc., prof., holder of land resources and soil estimate. MSU. Moscow

Mozharova N. Doctor of Biol. Sc., prof. MSU. Moscow

Umarova A. Doctor of Biol. Sc., prof. MSU. Moscow

Bulgakov D. Doctor of Agricult. Sc., prof. Soil Institute named after V.V. Dokuchaev. Moscow.

Kolesnikov S. Doctor of Agricult. Sc., prof. South FU. Rostov-on-Don.

Kapelkina L. Doctor of Biol. Sc., prof. Research center of ecological safety RAS, Saint-Petersburg.

Temlyantsev M. Doctor of Engin. Sc., prof. of SibSIU. Novokuznetsk

Ashikhmina T. Doctor of Engin. Sc., prof., chief of laboratory of biomonitoring Komi RC UD RAS. Syktyvkar.

Evdokimova G. Doctor of Biol. Sc., Apatity.

Chibrik T. Doctor of Biol. Sc., prof. Ural FU. Ekaterinburg.

Buzmakov S. Doctor of Geogr. Sc., prof. chief of laboratory of biogeocenology and environmental protection. PSRI. Perm.

Kupriyanov A. Doctor of Biol. Sc., prof. chief of Kuzbass botanic garden. Kemerovo.

Mironova S. Doctor of Biol. Sc., prof. Institute of applied ecology of the North SB RAS. Yakutsk.

Volynkina E. Doctor of Engin. Sc., prof. of SibSIU. Novokuznetsk.

Krupskaya L. Doctor of Biol. Sc., prof. Pacific National University. Khabarovsk.

Kostenkov N. Doctor of Biol. Sc., prof. Biology-soil institute FEB RAS. Vladivostok.

Zech Roland. Biogeoscience Group, Geological Institute ETH Zurich, Zurich, Switzerland.

Haubold-Rosar Michael. Dr., Scientific director, Research Institute for Post-Mining Landscapes FIB e.V. Finsterwalde. Germany.

Mehmet Sıtkı Kulur. Dr., Prof., Istanbul Technical University. Turkey.

Fariz Mikailsoy. Dr., Prof., Department of Soil Science Agricultural Faculty University of Igdir. Turkey.

PROGRAM COMMITTEE

Chairman:

Androkhanov V. Doctor of Biol. Sc. (ISSA SB RAS, Novosibirsk).

Secretariat:

Sokolov D. Cand. Sc. (Biology) (ISSA SB RAS, Novosibirsk).

Dvurechensky V. Cand. Sc. (Biology) (ISSA SB RAS, Novosibirsk).

Belanov I. Cand. Sc. (Biology) (ISSA SB RAS, Novosibirsk).

Semina I. Cand. Sc. (Biology) (SibSIU, Novokusnetsk).

The program committee is located at: 630090, Novosibirsk, Ak. Lavrentiev, 8/2; ISSA SB RAS. http://www.issa-siberia.ru/;

Contact phone numbers: 8 (383) 363-90-10;

E-mail: recultivation_conference_2016@mail.ru

Contact person - Denis Sokolov, Ivan Belanov.

Working language of information - Russian, English.

FORMS OF THE CONFERENCE

- Plenary reports.
- Sectional reports.
- Poster presentation.
- Round table (information about its subject will be available in the second information letter, received proposals on the subject of round tables).

PARTICIPATION CONDITIONS IN THE CONFERENCE

The registration form (application) and the materials of the report should be submited at the e-mail **recultivation_conference_2016@mail.ru** to participate in the conference before May 1, 2016. The application file must be called by the name of speaker (ex.: Ivanov.doc) materials must be called by the number of destinations and the first author (ex.: 1_Ivanov.doc).

The registration fee for the conference is 1000 rubles, and for young scientists (up to 35 years) it is 700 rubles. The publication of materials without the personal participation in the conference registration fee is 700 rubles.

The registration fee includes:

- Participation in the conference.
- The publication of materials (every author can send no more than 1 of the Article, where it is the 1st author).
- Full package of conference materials, including one copy of the book.
- Coffee and tea in between meetings.
- Distribution of materials of the conference.
- Transit to places for excursions.

KEY DATES

1. Prior to May 1, 2016. The application and materials of the conference are accepted.
2. June 1, 2016. The second information letter is send (delivery only to registered participants).
4. 13-14 June 2016. The conference work in Novosibirsk.
5. June 15 scientific field trip.
6. 16-17 June 2016. The conference work in Novokuznetsk.

7. 18 June 2016. The closing of the conference, the participants returned to Novosibirsk.

Conference proceedings will be published for the conference opening. Proceedings of the conference are assigned to the international index ISSN, UDC, LBK. All articles which accepted for publication will be indexed in the Russian Science Citation Index (RSCI).

REQUIREMENTS FOR THE MATERIALS

We shall consider the works reflecting the main results of own research (not less than 2 and no more than 5 pages).

The text should be organized as follows:

- Microsoft Word text editor in A4 format;
- Font Times New Roman, 12 pt;
- 1.5 line spacing, indent 0.5;
- All field - 20 mm;
- Full justification;
- All tables and figures should be embedded in the text and numbered, and in the text they should be refered. No more than 2 figures in a graphical format *.JPG or *.TIFF. Lines in the figures should not be less than 0,25 pts, Resolution is 300-600 dpi. Figures are duplicated in separate files.

The following are reduced (each time with a new line):

1) UDC in the first line in the upper left corner;
2) title of the article (in Russian and English)
3) initials and last name(s) of the author(s) (in Russian and English, centered);
4) the full name of the institution that represents the author and author e-mail address (centered);
5) a brief abstract (500 characters, including spaces);
6) key words (5-10).

The main text is made according to the following schedule: actuality, the objects and methods of research, discussion of results, conclusions (conclusion), literature. In the case of the theoretical nature of the materials, it is possible a different structure. References are given in brackets indicating the serial number of the source, for example [1, 3-6]. References mention is made in the order of sources in the text (not in alphabetical order!), Numbered (starting with the first issue).

The author's revision will be retained.

Text is available in electronic form. The file is saved in the format *.doc or *.docx. The file name is given by the direction number and by the first author. The text must be thoroughly proofread without stylistic and spelling errors. The organizing committee reserves the right to reject materials if they do not match the conference topics and the requirements for their registration.

With the materials a scanned copy of the payment receipt will be necessarily sent by e-mail in a format *.jpg.

Bank details for the transfer of the registration fee:
Recipient: Androkhanov Vladimir A.
Beneficiary Account: 40817810844050070431
Beneficiary Bank: Siberian Bank PJSC “Sberbank of Russia”
Novosibirsk Branch №8047
TIN (taxpayer reg.No.): 7707083893
RRC (registration reason code): 540345005
Account of Beneficiary Bank: 30101810500000000641
Bank Identifier Code of Beneficiary Bank: 045004641

To transfer through the terminal of Sberbank of Russia:
Bank card number: 63900244 9000821043

For the convenience of filling receipts Sberbank, you can use the electronic form: http://www.sbform.ru/

REGISTRATION FORM
(file)

Author (full)	
Place of work (position) / study (specialty, course)	
Science degree	
Address of institution (place of work), telephone / fax	
Mail address to which can be sent to a collection	
E-mail	
form of participation	
Title of the report	
Direction of the conference	
Suggestions for topics of round tables	
Participation in the scientific field trip	

The application for each author made out separately, but invested all applications into a single file, which must be called by the name of the first author.

We would be grateful for your help in disseminating information about the conference among colleagues and stakeholders!
